What's your background?	Before working at ITS I lived abroad for 14 years while working in the tourism industry.
What does your work involve?	Trying to keep up to date with the continual changes in the Apprenticeship system and understanding how these could affect ITS and our Partner Salons so that we can plan effectively. Supporting colleagues to ensure the office runs smoothly and managing the company's finances.
What's the best part of your job?	The part of my job I most enjoy is the happy relaxed atmosphere within the office, the enthusiasm we all have and the opportunity to use our initiative and work as a team.

What do you like doing when you're not working?	I like to be outside in my garden or walking in the countryside. I've been going to Zumba for 7 years and love it. I started Pilates last year and that is now a close second to Zumba. Don't mind the odd holiday somewhere sunny either!
