

Advanced Apprenticeship in Hairdressing for 19+ year olds

This advanced apprenticeship framework is for those who have hairdressing skills at level 2. We will adjust your training to help you quickly develop your practical skills if you lack the required experience or confidence.

All training and assessment will take place where you work. It will take about 24 months and you can then progress to higher level qualifications in teaching and assessing hairdressing.

English and maths are built into the apprenticeship. If you are not yet at level 2 in these subjects (GCSE grades A*- C or grade 9 - 4) you will work towards Functional Skills qualifications.
